21st World Congress of WADP

XXXIVth International Symposium of German Academy for Psychoanalysis (DAP) e.V.

WORLD ASSOCIATION FOR DYNAMIC PSYCHIATRY WADP

The **21st World Congress of WADP “Identity: Person, Group, Society – Implications for Psychotherapy and Psychiatry”** will explore the complex relationships between individual and collective identity in today’s changing world. The conference is held in conjunction with the **XXXIVth International Symposium of the German Academy for Psychoanalysis (DAP)**.

Through lectures, symposia, and workshops participants will have the opportunity to engage in scientific exchange, interdisciplinary dialogue, and personal encounters that enrich professional practice.

Presidents

Prof. Dr. Michel Botbol
